

Partnership Agreement

This Partnership Agreement (further the “**Agreement**”) shall define the conditions and procedures for cooperation between Partners and/or Introducing Brokers (further the “**Partner(s)**” and/or “**IB**”) and Headway (further the “**Company**”).

1. Common provisions

1.1 The Agreement takes effect the moment the IB registers an IB Account. The Agreement is deemed valid, signed, and functional immediately after the Account is opened. In order to register as an IB, it is necessary to:

- a) Register a Personal Area on the Company’s Website;
- b) Accept this Agreement and receive an email confirmation about the IB account opening;
- c) The referral link will be created for you in your Personal Area.

1.2 An IB undertakes commitments set forth in this Agreement, i.e., to search and acquire customers for the Company, as well as other rights and obligations set forth in this Agreement. When performing commitments set forth in this Agreement, an IB acts solely on his/her own but acquires customers for the Company.

1.3 The Company reserves the right to require personal ID or any other document(s), confirming the IB’s personal data at any time. In case any information provided by the Partner during registration (name, residential address, or telephone number) is changed or modified, the Partner shall immediately inform the Company about these changes and request that the information be updated.

1.4 The leading language of the present Agreement is English. But for the Partners' convenience, the Company may provide the translation of the present Agreement into another language. The function of the translation is merely informative. In case of inconsistency between the English version and the translation of the present Agreement into another language, the English version shall be of prior importance.

1.5 Clauses, schedules, and paragraph headings shall not affect this Agreement’s interpretation, unless the context otherwise requires:

- a) A word(s) in the singular form shall include the plural and vice versa;
- b) A reference to a statute or statutory provision shall be a reference to it as amended, extended, or re-enacted from time to time;
- c) A reference to one gender shall include a reference to the other genders.
- d) Any word(s) following the terms, including “include”, “in particular”, “for example”, “as a rule” or other similar expressions, shall be considered as illustrative, and shall not limit the sense of the words, description(s), definition(s), phrase(s) or term(s) preceding those terms.

1.6 This Agreement does not imply any formal employment. IB is not considered a representative of the Company, and the Company is not responsible for any of IB’s actions (or omissions).

1.7 An IB unconditionally accepts that all the clients he/she acquires are the Clients of the Company.

1.8 In case a situation arises that is not covered by this Agreement, the Company shall resolve the matter in good faith and fairness and, if necessary and where appropriate, shall take such measures as

are consistent with the relevant market practice. The IB agrees that such a decision of the Company is final and unconditional.

1.9 The parties are obliged to follow the provisions of this Agreement and/or Client Agreement unless stated and signed otherwise.

1.10 In accordance with the conditions hereof, the rules and provisions of this Agreement concerning privacy shall be effective regardless of the Agreement's termination.

2. Parties cooperation

2.1 The Company grants to the Partner non-exclusive, non-transferable rights to direct Prospective Clients to the Company Website by providing the Company website link: www.hw.online, or email care@hw.site on the Affiliate Entities' Sites. All other forms of Prospective Client attraction are subject to the terms and conditions of this Agreement. The Company provides the IB with a personal Partner referral Link linked to the Company Website(s).

2.2 The Partner gives the Company non-exclusive, non-transferable rights to use the Partner's name and/or trademark for free for the duration of this Agreement so that the Company may fulfill its obligations set forth in this Agreement.

2.3 The Company does not bear responsibility under any circumstances for:

- a) Any IB's activities performed in violation of any of the provisions set forth in this Agreement and/or Client Agreement;
- b) Any IB's activities performed in excess of the privileges provided by the Company;
- c) Any damage or loss caused by an IB to any third parties;
- d) Any claims to an IB caused by his/her failure to promote the Company.

2.4 An IB cannot use the Company's name, the Company's logo(s), the Company's trademark(s), and other materials subject to copyrights, anywhere, including advertising, printing, business cards, announcements, publications, without the Company's prior written permission. An IB may perform his/her activities and introduce himself/herself into any negotiations as the Company's Client with IB privileges only. No other possible statuses are permitted in any case. An IB has the right to use promotional materials, specifically designed for him/her only by the Company.

3. Partners' Rights and Obligations

- b) Not to perform and/or not to commit intentional acts (or permit to perform or commit) any action(s), matter(s) or thing(s) that the Partner knows or should sensibly know, may put the Company in breach of any provisions of the Agreement, or Client Agreement between the Company and/or its Affiliated Entities and the Clients or the provisions of existing legislation;
- c) To cooperate with the Company and promptly submit any documentation(s) and/or evidence required by the Company in relation to the dealings of the Partner with the Clients, involving the Company in any way whatsoever;
- d) To provide the Company with all necessary information and documents about the services provided under this Agreement;
- e) To notify the Company immediately of any actual or potential contravention of any legal or regulatory requirements. The Company is entitled to assume that any necessary authorization, license, and/or consent remains in force until the Partner notifies the Company otherwise;
- f) To notify the Company immediately if any actual or proposed judgment(s), order(s), or disciplinary sanction(s) is imposed upon or entered against the Partner or any other action(s) or claim(s) is taken against him/her (including any pending prosecution(s) without limitations), related to his/her activities under the provisions of existing legislation which has or may have, in the reasonable opinion of the Company, a material adverse effect on the Company's and/or on its Affiliated Entities reputation or financial standing;
- g) To reimburse the Company against any loss or liability suffered by the Company and/or its Affiliated Entities as a result of the contravention of any legal or regulatory requirements on the part of the Partner or as a result of or in relation to the actions of the Partner during and after the termination of the Agreement.

3.3 The Partner shall not:

- a) Contact or interact in any way with Prospective Clients and/or Introduced Clients unless a prior specific consent is provided by the Company;

3.4 The Partner agrees that if the Introduced Client asks to be unlinked from a specific Partner, the Company and/or its Affiliated Entities shall comply with such request and cease paying any Commission to the Partner in relation to the Introduced Client.

4. Client Attaching and Reattaching Rules

- 4.1 All account actions, including attaching, reattaching, and detaching from a partner, require account verification.
- 4.2 Attaching or reattaching an account to a partner is permitted only if the client has had no trading activity within the past two (2) months; in the event the client registered within the last week, the requirement for a two (2) month period of inactivity is waived.
- 4.3 Attaching or reattaching an account is allowed only if the client registered with the Company after the partner's registration date.

5. Company's Rights and Obligations

- 5.1 The Company and/or its Affiliated Entities retain the right to refuse registration as a Client to any Prospective Client introduced by the Partner.
- 5.2 The Company has the right to exclude Client(s) from an IB Clients list, in case an IB fails to meet any of the requirements and conditions of this Agreement.
- 5.3 The Company and/or its Affiliated Entities have the right to monitor the Partner's website and request the Partner to make amendments as deemed necessary, and the Partner is obliged to comply with such amendments.
- 5.4 The Company has the right to inform Clients that an IB receives a reward from the Company for the Clients' trading operations and for the activities described or mentioned in this Agreement.
- 5.5 If the Company receives a message from any payment system stating that a Client is suspected of fraudulent activities, the Company has the right to detach the mentioned Client from his/her IB list and cancel all IB's commission received or associated with the mentioned Client.
- 5.6 The Company has the right to deactivate an IB Account if the IB does not use the account for more than one (1) calendar year (including but not limited to any login operations, changes of settings, withdrawal of commissions). Deactivation of the Account means that the Company terminates calculating the commission, and the Account status changes to archived.
- 5.7 If an IB violates any of the Agreement's provisions, the Company reserves the right to terminate this Agreement between the Parties, to block the IB Account, to detach all the clients from the IB, cancel all the bonuses and the entire IB's commission associated with the IB's Clients without prior notice. The Agreement termination shall mean termination of the Company's obligations concerning the commission transfer and other rewards to the IB.
- 5.8 The Company undertakes to:
- a) Fulfill its obligations under this Agreement in good faith and trustworthy terms;
 - b) Save the information about all Introduced Clients' transactions for such period as may be reasonably required for this Agreement;
 - c) Be responsible for dealing with all of the calculations. An IB is able to get a commission report from his/her Personal Area and/or request it via the official email.

- d) To pay the Partner Commission for Introduced Clients, except in the case of the following circumstances:
- When the Client and the Partner are the same person or entity;
 - When the Partner acts in breach of the terms of this Agreement;
 - One of the reasons mentioned in 5.16.

6. Payment of Partner Commission

6.1 The Partner Commission will be calculated once a day (in the beginning of the next day) for all closed transactions and will be available for withdrawal anytime after it's credited.

6.2 The Company pays the IB's Commission in the amount set in the "Commission section" of the Agreement, for each full transaction (order that was opened and then closed, excluding any credit/bonus generated amount), executed on each individual Client's Account (MetaTrader 4 & MetaTrader 5), introduced to the Company by an IB, with the exception of transaction closed due to partial close or multiple close.

6.3 The Partner Commission from trading transactions of Introduced Clients is calculated according to the Partner Status "level", Trading Instrument, and Client's Account Type.

6.4 The total number of traded lots shown in the IB Area is updated daily and reflects the sum of all closed lots traded by Introduced Clients in the last 90 calendar days. This means the total may change from day to day depending on the Partner's clients' activity. If the new total meets the required threshold for a higher status, the Partner may be **upgraded**. A Partner will maintain their current status for a full **90 days** from the day of the last status change.

6.5 The Partner Commission from trading transactions of Introduced Clients is calculated as follows:

- a) For "Cent" Accounts, Partner Commission will be calculated as: Reward size (status) x Spread in pips x Pip value in USD, while Reward size depends on the partner status.
- b) For "Standard" Accounts, Partner Commission will be calculated as: Reward size x Spread in pips x Pip value in USD, while Reward size depends on the partner status.
- c) For "Pro" Accounts, Partner Commission will be calculated as: Reward size x order volume x paid commission for 1 lot in USD, while the percentage of commission depends on the partner status.

Standard & Cent accounts	Pro account
(Percentage of Spread)	(Percentage of Commission)
<ul style="list-style-type: none"> ● Bronze 30% ● Silver 35% ● Gold 38% ● Royal 42% 	<ul style="list-style-type: none"> ● Bronze 40% ● Silver 60% ● Gold 75% ● Royal 85%

d) The commission on Indexes, Stocks, and Crypto is always a percentage of the paid commission, and it's related to the status of the partner as well:

	Pro		Standard			Cent	
	Indices and stocks	Crypto	Indices and stocks	Indonesian stocks	Crypto	Indices and stocks	Crypto
Bronze	40% from commission	20% from commission	30% from spread	30% from commission	20% from commission	30% from spread	20% from commission
Silver	60% from commission	30% from commission	35% from spread	35% from commission	30% from commission	35% from spread	30% from commission
Gold	75% from commission	38% from commission	38% from spread	38% from commission	38% from commission	38% from spread	38% from commission
Royal	85% from commission	42% from commission	42% from spread	42% from commission	42% from commission	42% from spread	42% from commission

6.6 The Partner Commission from the Introduced Partners' commission is calculated as follows:

a) For Partners attracted on the second (2nd) level, the Main partner will get 10% of the directly attracted IB's commission.

b) For Partners attracted on the third (3rd) level, the Main partner will get 5% of the sub-IB's (2nd) level commission.

6.7 In case Partner Commission was received for Buy and Sell orders opened for the same instrument and held in the market simultaneously, the Company has grounds to consider the Partner's actions fraudulent and reserves the right to cancel the paid Commission and to detach the involved Client(s).

6.8 The Company retains the right to reduce the partner Commission in the event that the cost of hedging risks associated with one or more Introduced Clients' transactions increases.

6.9 In case of reasonable suspicion by the Company that auto-referral activity (when the Partner gets Commission from trading operations carried out on Accounts by direct or circumstantial evidence controlled by the Partner; that includes, but is not limited to, use by the Partner and the signed Client of at least two identical IP addresses) is performed by the Partner, the Partner Commission size can be decreased by the Company down to 0%.

6.10 The Partner Commission for the Client's trading transactions that have the "Fix Rate" option turned on is calculated by the following formula:

Reward size x Spread in pips x Pip value in USDF (USD Fix Rate).

6.11 Withdrawal from the IB's Account is carried out within the schedule set by the payment system. In case of receiving IB Commission from Client(s) account(s) that were deposited with a debit or credit card(s), the timing may be extended to up to 45 working days, with a potential extension if necessary,

upon the Company's notification.

6.12 In exceptional circumstances, the Company reserves the right to unilaterally determine the available methods or options for IB Commission Withdrawal.

6.13 In case a Fixed Balance occurs on a Client's Account, the Company reserves the right to deduct the amount of funds compensated by the Company from the total amount of Partner Commission for this Client's trading that was paid on the same day when the Fixed Balance occurred.

6.14 In case the IB's Commission from one (1) Client exceeds 30% of the total IB's Commission within a period of one (1) to six (6) months before a Withdrawal request, the Company reserves the right to cancel it.

6.15 In case the total amount of the IB's Commission from one (1) Client Account exceeds 60% of the total amount of Deposits for this Account, the Commission can be adjusted at the Company's discretion to an amount less than 60% of the total amount of Deposits for this Account.

6.16 The IB's Commission cannot exceed 50% of the average Equity for all Client Accounts for the reporting month. The average Equity is calculated by the following formula:

$E = \frac{E_1 + E_2}{2}$, where E is the average Equity, E1 – Equity at the beginning of the month for all Clients' Accounts, E2 – Equity at the end of the month for all Clients' Accounts.

6.17 The Payment of Partner Commission will be delayed, not be paid, or be annulled/canceled/suspended in the following circumstances or situations:

- a) If the Partner Account or any other Account managed or controlled by the Partner or any of the Introduced Clients assigned to the Partner is considered by the Company to be suspicious;
- b) If the Company determines that the Partner Commission is derived from activity related, directly or indirectly, to fraudulent, illegal, or deceptive practices;
- c) If the Introduced Client performs actions in bad faith for generating Partner Commission, or in respect of trades employing the practice commonly known as "churning."
- d) If the Partner Account, any Account maintained in the name of the Partner or attracted Introduced Client Account is blocked or placed in archive in accordance with this Agreement or the "Temporary Block of the Client Account" and "Inactive and Dormant Client Accounts" of the Client agreement and General Business Terms between the Company and the Client, if applicable. The provisions of this clause are applicable to the full period of account archiving and/or blocking of Partner Account or any Account maintained in the name of the Partner or Introduced Client attached to the Partner.
- e) If the Introduced Client's transaction(s) were executed at non-market quotes, they are canceled;
- f) If the Introduced Client's Account balance consists of only credits or bonuses;
- g) If the Partner Commission derived from Introduced Clients via Facebook, Instagram, or Google paid advertisements;
- h) If the minimum amount of IB's Commission on "Cent" accounts to be paid is less than one (1) cent.

6.18 IB Commission is paid in US dollars regardless of the IB's Client's Account(s) currency.

6.19 The Partner undertakes to pay all taxes, money transfer fees, currency conversion fees, and other mandatory payments.

7. The Use of Promotional Material

7.1 The Partner shall only use Promotional Material provided and approved by the Company in order to provide the services provided by the Agreement.
